BIN THERE / RECYCLING

Rolling elegance in the Urban Jungle.

The round receptacles with leather details and wooden lids, solve the recycling needs with elegance - Placed in the trolley or freestanding on their own.

Without lids, Bin There become decorative flower pots for greenery, oxygen, texture, and life. Bring the jungle with you wherever you go!

DESIGN

ADDI

MATERIALS

The trolley and the bins consist of 25% recycled material with choice of five colors; olive, copper brown, anthracite, white and beige. The metal is powder coating which provides both environmental and quality benefits as no solvents need to be added and the amount of waste is a minimum.

VOLUME

Bin There L Bin:
54 L, 14 gallon

Bin There L Pot
27 L, 7 gallon

Bin There S Bin:
24 L, 6 gallon
