

MUUNA

Muuna MU 3101.04

Design: Massimo Costaglia & Giulio Mazzanti (IT)
Producer: RIM CZ a.s.

Muuna MU 3101.04

Fully-upholstered swivel chair of rounded shape with armrests. Muuna is a synergy of a simple form and functionality, a combination of a comfortable armchair and an ergonomic office chair. Available with a 4-star or a 5-star base, Muuna fits easily into any office environment or home office.

Mechanism	Self-adjustable - SELF 1C with cable control The counter-pressure of the mechanism is automatically set within the range of approx. 50 – 120 kg of body weight with 3 available locking positions of the backrest. The utmost angle of back tilt is 20°, a synchronous seat movement within the range of 6,5°. The mechanism and its controls are hidden inside of the seat frame in order to preserve the overall appearance of the chair.
Design	The seat frame is a mould which, together with armrests, forms one unit. Armrests are filled with PUR foam on the inside. A seat cushion, a mould made of PUR foam of bulk density 70kg/m ³ , ensures a comfortable seating. The backrest is a shaped beech plywood with PUR foam of bulk density 70kg/m ³ . It is height-adjustable and can be locked in 5 positions within the range of 85mm.
Base	A high conical four-star base in a polished Alu design.
Upholstery	To be selected from fabric collection.
Castors	Braked castors Ø 60 mm for hard or soft floors.
Optional	<ul style="list-style-type: none">• Armrests upholstered in Silvertex leatherette• White plastic rendition• Castors with chrome ring for soft and hard floors• Universal glides for soft and hard floors
Warranty	5 years (see Terms and Conditions)
