Design by Leif Jørgensen

HAY

# Loop Stand Collection

## Design by Leif Jørgensen

Designed for HAY by Leif Jørgensen, Loop Stand is a series of tables and clothing stands that combine functionality with a simplistic, graphic expression. Sharing a distinctive three-legged design feature, the clothing stands and rectangle tables are supported by trestle legs, with the circular tables featuring a classic tripod design. All models in the collection are offered in various sizes and colours, with the tables also available in different material options that make them suited to a wide range of corporate and private settings.

# LOOP STAND TABLE WITH SUPPORT

PRODUCT FACT SHEET

## LOOP STAND TABLE WITH SUPPORT

DESIGN BY LEIF JØRGENSEN, 2006

Designed by Leif Jørgensen, the Loop Stand Table features a rectangular tabletop supported by characteristic three-legged trestles, resulting in a simplistic, graphic expression. The Loop Stand Table is offered in a variety of sizes in different materials and colours that make it suited to a wide number of private or public environments. Also available in circular variants in the Loop Stand Round Table series.

### HIGHLIGHTS

- Part of an functional family of display stands, wardrobe furniture and tables.
- The table features a rectangular tabletop supported by characteristic three-legged trestles, resulting in a simplistic, graphic expression.
- Steel powder coated legs and tabletops in different material and colour options.
- Available in different heights and sizes.
- Also available in circular variants in the Loop Stand Round Table series.
- The Loop Support frame in powder coated steel gives the table stability and makes it qualified for contract use.
- Suitable for a wide variety of private and public environments.
- Qualified for contract use.

## SUSTAINABILITY

HAY focuses on developing long-lasting products that minimise our environmental impact. We optimise the use of sustainable materials such as recycled materials, FSC-certified wood and water-based lacquer, with a growing number of eco-certified products. We have strict regulatory requirements, and the majority of our products are tested to comply with international standards for strength, durability and safety.

[LINK TO ENVIRONMENTAL PROFILE](#)

## CERTIFICATES

EU ECOLABEL – IN PROCESS

Applies to laminate- or veneer tabletops.

Applies to tables with support.

## TESTS

EN 15372:2016

Furniture - Strength, durability and safety - Requirements for non-domestic tables.

Test severity L3: Severe use: E.g. in night-clubs, police stations, transport terminals, hospital public areas, casinos, homes for the elderly, sports changing rooms, prisons, barracks.

## WARRANTY

HAY provides a 5-year product warranty. Spare parts are available throughout the 5-year warranty period.

Please contact the HAY sales team for further information about the warranty terms and conditions.

## RECYCLING & DISASSEMBLY

The furniture is designed to be a long-lasting furniture made to last for many years. The furniture is 100% recyclable and all parts can be fully separated and recycled. All parts can be delivered to a suitable recycling facility.

# LOOP STAND HALL & WARDROBE

PRODUCT FACT SHEET

## LOOP STAND HALL & WARDROBE

DESIGN BY LEIF JØRGENSEN, 2006

Loop Stand Hall and Loop Stand Wardrobe are simple and functional clothing stands characterised by their elegant and graphic three-pillared design. While the Loop Stand Hall is ideal for compact spaces, the Loop Stand Wardrobe is a larger model that offers extra storage capacity. Available in several different colour options, their uncluttered aesthetics make them suitable for hanging clothes in a variety of private or public environments.

### HIGHLIGHTS

- Part of a functional family of display stands, wardrobe furniture and tables.
- Simple and functional furniture characterised by its elegant and graphic three-pillared design.
- Multifunctional use for display, clothes, wardrobe etc.
- Available in different colours and finishes.
- Suitable for a wide variety of private and public environments.
- Qualified for contract use.
